Directions

Horder Healthcare Brighton clinic is located in the Brighton Diagnostic and Treatment Centre, within the AMEX Stadium (East Stand).

By car

The stadium lies just south off the A27. Take exit B2123, onto a roundabout then take the second exit towards Woodingdean. Turn into Village Way, off the B2123, and take the 1st right where you will find a manned barrier, The Gatehouse.

By bus

Bus 25 or 23 can be used to reach the stadium (bus stop Brighton University). From there you will need to walk down a flight of steps and walk in an anti-clockwise direction around the stadium to the East Stand.

By train

The most local train station is Falmer station, which is adjacent to the stadium. If travelling from London, a transfer in Lewes or Brighton is required.
